Schools should implement appropriate supervision strategies, including:</p> <ul style="list-style-type: none"> • Early childhood/Primary schools: have a buddy system when at Lakeside Stadium , especially when going to the toilets, and conducting regular roll calls. • Secondary schools: students have teacher mobile phone contact, regular meeting points and times.

		<p>School teachers may be required to assist with the completion of an incident report form.</p>
First aid	Unwell student	<p>School staff are encouraged to hold student personal health and medical information and parent/guardian contact details.</p> <p>Students should be dressed appropriately according to weather conditions and have adequate sun protection, water and snacks. Students should have proper nutrition before undertaking physical activity.</p> <p>A school supervisor must be available to take students to receive medical care, if required.</p> <p>Where the school is not required to bring its own first aiders, first aid support is available upon presentation to any SSC staff member. First aid rooms and stations are located throughout the venue. SSC first aid officers are able to undertake the initial treatment of injuries and illnesses occurring, including CPR, first aid, advanced first aid and anaphylaxis.</p>
First aid	Injury to student or teacher requiring first aid or ambulance	<p>Depending on the size of the event, schools may be required to bring their own designated first aid officer and first aid kit during the excursion.</p> <p>A school supervisor must be available to take students to receive first aid, if required.</p> <p>Where the school is not required to bring its own first aiders, first aid support is available upon presentation to any SSC staff member. First aid rooms and stations are located throughout the venue. Qualified SSC staff can assist with life-support using advanced resuscitation equipment and techniques while also facilitating the arrival of emergency services.</p> <p>School teachers may be required to assist with the completion of an incident report form.</p>
Emergency management	Emergency situation in the facilities	<p>Evacuation and emergency procedures vary dependent on the type of emergency and location. In the event of a site emergency, schools are required to follow the directions of SSC staff, including Emergency Wardens (recognisable by their white, red or yellow hard hats).</p> <p>Should a dangerous situation arise, the venue may be required to evacuate. The “beep-beep” tone alerts visitors to stop all activities and to listen for further announcements.</p> <p>The “woop-woop” tone signals an evacuation. Teachers should follow the directions of SSC</p>

staff in case of an evacuation. The primary assembly area at Lakeside Stadium is located in the centre of the venue on the pitch. The secondary assembly area is the Palms Lawn next to Albert Park lake.

Once at the designated assembly area, teachers must conduct a roll call and notify any SSC staff member immediately if any students are missing.
